

GREASE CLEANER

DESCRIPTION

Suitable for resolving serious oil stains on tile walls, outdoor floors, parking lots, range hoods, exhaust fans, stoves and other surfaces.

INSTRUCTIONS FOR USE

- Dilute the product with water at a ratio of 1:10 to 1:40.
- Pour the diluted solution into a spray bottle. Spray evenly onto the oily surface to be cleaned. Allow the solution to dwell for approximately 15 minutes.
- Use a cleaning machine (such as a scrubbing brush, floor scrubber, etc.) to scrub the treated surface. Then, rinse thoroughly with clean water.
- For heavily soiled or stubborn oil stains, it is recommended to increase the product concentration by using a 1:10 dilution ratio. Extend the dwell time for better results.

FEATURES

- Deep Penetration
- Disintegrates heavy scales
- No material damage

STORAGE AND SAFETY

- The storage temperature should be above 0 degrees Celsius and below 45 degrees Celsius.
- No contact with skin/eyes, protective measures recommended.
- Do not take orally, please store in a cool, dry place out of reach of children.

WARRANTY

This data sheet is an information document compiled in good faith. It is correct based on our experience, but no warranty is given. The application, use or processing of the product is beyond our control and should be tested for suitability and therefore at your own risk. In no event shall we be liable to the customer or any other person for any incidental or consequential damages, however caused.
